Continue

**1. In the Create an account window, enter your company email id and the password you would like to use. Click the Next button.**

The screenshot shows the IBM Cloud registration page at [cloud.ibm.com/registration](https://cloud.ibm.com/registration). The page has a dark header with the IBM Cloud logo. The main content area is light gray and features the IBM Cloud logo, a link to 'Log in' for existing users, and the heading 'Create an account'. Below this is a form titled '1. Account information'. It contains two input fields: 'Email' with the value 'remkohdev1@yahoo.com' and a blue checkmark icon, and 'Password' with masked characters '\*\*\*\*\*' and an eye icon. At the bottom of the form is a blue 'Next' button with a downward arrow. To the right of the form is a dark blue sidebar with white text that reads: 'Build for free on IBM Cloud', 'Develop for free, no credit card required', 'Apps, AI, analytics, and more. Build with 40+ Lite plan services at no cost to you - ever.', 'Access the full catalog at your fingertips', and 'Upgrade your account and unlock 190+ unique offerings, plus get a \$200 credit to use with any offering you want.'

**2. The Verify email section will inform you that a verification code was sent to your email.**

The screenshot shows the same IBM Cloud registration page, but the form has progressed to the '2. Verify email' section. The '1. Account information' section is now collapsed and shows a checkmark and an 'Edit' link. The '2. Verify email' section contains a message: 'We sent a 7-digit verification code to remkohdev1@yahoo.com. This code is valid for 30 minutes. Want to create this account with a different email? Edit email.' Below the message is a 'Verification code' input field with a single character '1' entered. At the bottom of the form are a blue 'Next' button with a downward arrow and a 'Resend code' link. The sidebar on the right remains the same.

**3. Switch to your email provider to retrieve the verification code. Then enter the verification code in the Verify email section, and click the Next button.**

**4. Enter your first name, last name and country in the Personal information section and click the Next button.**
